

## Call to Artists and Makers: Gift Shop Program

The focus of this dynamic program is on allowing artists to be in control of their own artwork. It will be managed by PHAC staff who will accept applications and administer the gift shop program along with the help of PHAC Board. We are looking for artists who create cards, jewelry, pottery, wood, textiles, glass, and other various handmade artisanal objects. **You do not need to be a member of the Pembina Hills Arts Council to apply, however discounts do apply for those who are members.**

### Program Details:

- No commissions – artists retain 100% of their sales!
- You do not need to be a member of PHAC to apply
- Space is limited, so apply early
  - See attached application form for details.
- The revised program will be based on a rental system (3-months at a time, payable up front)
  - \$25/month for a 4-foot display space (additional \$5/month for wall space)
  - \$20/month for a shelf in the locked jewelry display case
  - Payment is due before artwork can be displayed
- **Artists may coordinate sharing of the rental space, however only one artist may sign the rental form and will be responsible for maintaining the space.**
- Artists do their own inventory, merchandise labeling, and display
- The gift shop will be open during PHAC business hours (currently that is Tues-Friday 12-5pm and 10-4pm on Saturdays)
- Artists are encouraged to promote their craft/business by participating in a weekend demonstration/display one weekend per month and through any other means they have.
- PHAC will promote the program by providing limited online marketing through Facebook and Instagram, a page on the PHAC website where each vendors name and website (if available), with a brief description will be posted.
- In the event of an abundance of applications for any of the intake periods, applications will be reviewed for quality and uniqueness, otherwise spaces will be assigned on a first to come, first-served basis.
- **Intake and Display Timelines**
  - Applications for intake will be accepted throughout the year, and if space allows, display can be negotiated up to the 15<sup>th</sup> of the month ending each quarter (March, June, September, and December for rentals beginning the following quarter.) Vendors have first choice of whether or not they will renew their assigned stall, and must give their decision by the 15<sup>th</sup> of the month ending each quarter (see above dates). There is no guarantee of availability, so applying early is recommended.

- Images of your products may be used in promotion in print or on the website or on social media, but we cannot guarantee your display will be represented in chosen images.
